

AT A GLANCE - CEMETERY REGULATIONS

- Dogs must be kept on a lead, under control at all times and any fouling removed
- Visitors must respect all other visitors within the cemetery and not cause a disturbance
- Memorials - There are restrictions on what can/cannot be put on graves (e.g. NO Glass, Porcelain or any other breakable material). See Important Cemetery Information for guidance. Please note we will not be held responsible for any breakages or loss that occur within the cemetery or on individual graves regarding grave furniture that does not form part of these regulations.
- Please ensure all old flowers are removed as soon as possible, once they have past their best. Flowers which are obviously dried or faded will otherwise be removed.
- The speed limit within this cemetery is 5mph MAXIMUM.
